

# UROLOGIC PATHOLOGY SERVICES

For urology practices, a trusted and reliable pathology partner with subspecialty expertise is essential. Clinical Pathology Associates shares your goal of delivering excellent patient care. And, we share your goal of clinically appropriate, judicious testing.

## The Clinical Pathology Associates Difference

Our urologic pathology team has expertise in urologic oncology and nephropathology and provides exemplary services in prostate, bladder, testicular, and renal pathology. Kidney biopsies are evaluated using standard histopathology, immunofluorescent studies, and electron microscopy. Our affiliated Immunohistochemistry Laboratory provides rapid turnaround time for additional tests.

## How We Serve You

Collegial, collaborative  
relationships

Accessible part of  
the clinical team

Personally responsive  
to questions and  
consultation requests

Rapid  
turnaround  
times
